FAQ

- **My child has never skated before, what level should I sign him/her up for?**

We tend to start skaters off in Snowplow 1/2 if they're between 3-5 years old and Basic 1 if they're 6 or older. You may also refer to the last few pages of this document to see what skills will be worked on in each level to better determine class placement. We **STRONGLY** recommend bringing your child to public skate at least once before registering them for class to see if they like being on the ice.

- **My child is interested in Hockey and has completed One Goal, what level should I sign him/her up for?**

In the Learn to Skate program, we focus heavily on strong skating skills. Depending on their age, I would recommend signing them up for Snowplow 1/2 or Basic 1. From there, we never hesitate to advance skaters into higher levels during the session if they're ready.

- **My skater has a membership with USA Hockey/ US Figure Skating, do I still need a Learn to Skate membership?**

YES. Unfortunately, Learn to Skate USA does not recognize USA Hockey or US Figure skating numbers in their system. There is secondary insurance coverage that comes with the LTS Membership so it is absolutely required for registration into our program.

- **How do I get the Learn to Skate number?**

1. Go to <https://www.learntoskateusa.com/ltsregistration2>
2. Click "Skater/Parent" button and fill in your SKATER'S information.
3. Click "Continue" and fill out your shipping information for the welcome packet
4. Click "Continue". Select "The River's Edge" option. This should highlight the box Blue. Then click "Continue" located above it.
5. Fill out your payment information and then submit the page. This membership is \$17.25 and is valid until the following June 30th. This membership can be used for future LTS sessions that take place before this date.
6. Save the receipt and provide the LTS number to register for class through Davenport Parks and Recreation. The LTS Number should look like L#####

NEW SKATERS SHOULD WAIT UNTIL JUNE 1ST, 2018 TO OBTAIN A MEMBERSHIP FOR THE 2018-2019 SEASON.

FAQ

- **What should my child wear to class?**

Loose warm clothing (Sweat pants, Zip up) that allow for easy movement. Gloves, long socks, and helmet are preferred. Skaters registered in Hockey 1-4 sometimes wear full gear and use their stick as well.

- **What's the Makeup Policy if my skater needs to miss a class?**

Typically, skaters are allowed two makeup classes per session. Makeups must be made within a one week time frame of the missed class at the alternate LTS time. Please let Myle, the coordinator know if you skater plans to miss class.

- **I'm interested in private lessons for my child? Who should I ask?**

Learn to skate has several instructors certified to teach private lessons. If interested in obtaining this list, email Myle at mduong@ci.davenport.ia.us They request that skaters be currently enrolled in LTS class or have had prior frequent skating experience.

- **Do I need to purchase my own skates? What brand do you recommend? Where can I purchase skates?**

Skate rental is included in the program cost so you will not need to purchase your own. If you decide to get your own pair of skates, I would advise asking their instructor or doing research on a quality pair of skates. Skates can be purchased online or ask the affiliate club (QCHA or FSCQC) to see if there are used ones that can be purchased. I would not advise buying double blades or Combination hockey/figure skates.

- **Where can I sign up for class?**

You can register in person at the River's Edge or call the front desk at 563-328-7275. Online registrations begin May 15th, 2018:
