

The requirements for sidewalk maintenance, construction, reconstruction and widening are specified in City Code 12.12. All sidewalks on public right-of-way must have a permit prior to construction or reconstruction.

Homeowners may replace up to two (2) sections of sidewalk with an approved permit. Homeowners wishing to replace more than two (2) sections of sidewalk are required to secure a homeowner's bond and submit the bond with the permit application.

A permit and contractor's bond is required for all work performed by a contractor in the city right-of-way.

If you have any questions please contact 563.326.7923 for more information.

The permit fees for sidewalk maintenance, construction, reconstruction and widening is \$10 for the first 100 Sq Ft, plus \$.10 per Sq Yd for anything over 100 Sq Ft. This fee must be included with the sidewalk permit application as well as the applicable bond.
