Property Address	

The requirements for driveway approach maintenance, construction, reconstruction and widening are specified in City Code Chapter 12. All work on driveway approaches and curb cuts in the public right-of-way must have an approved permit application before work is started.

All driveways subject to removal or relocation for public convenience.

All curbs must be saw cut.

A permit and contractor's bond is required for all work performed by a contractor in the city right-of-way.

The permit fees for driveway approaches and curb cuts, is as follows. This fee must be included with the sidewalk permit application as well as the applicable bond.

- Commercial Driveway Approach \$100
- Residential Driveway Approach \$50
- Driveway Widening \$25
- Curb Cut \$10 per Cut
