

Mechanical Permit Application Commercial & Residential Work

Building codes and permits protect the health and safety of the public. Mechanical permits are required for work on any mechanical systems in a commercial or residential setting. Most mechanical work must be performed by a [licensed and bonded contractor](#).*

*Property Owners may perform mechanical repairs at Owner Occupied Property. Owners should refer to current codes as some limitations to the type of work that can be performed apply.

Additional conditions and permits may be required based on the type of work to be performed. If you are not sure what types of permits are needed, the best way to find out is to call the Building Division at 563.326.7745. It is unlawful to perform mechanical work without a permit. You may be fined if you proceed with work that requires a permit.

Submit completed application, with the [applicable fee](#) to Building Division, Davenport Public Works Center, 1200 E 46th Street, Davenport, IA 52807 by mail or in-person. Questions call 563.326.7745.
